Re: Emergency Bail Schedule Setting Bail to Zero (COVID-19 Related)

Earlier this month, the Judicial Council of California approved zero cash bail for lower level suspects. Essentially, the order set bail to \$0.00 for most misdemeanor and "lower level" felony offenders, which began on April 13, 2020. California Chief Justice Tani Cantil-Sakuye stressed emergency measures were temporary but necessary to help prevent the spread of COVID-19.

PPEO Board Members are being watchful of these releases in an effort to assist in maintaining community safety during these unprecedented times. Any issues that come to the Board's attention will be disseminated to the appropriate County Departments for appropriate action. The Placer Public Employee's Organization remains committed to the wellbeing of its membership, their families, and the communities where they reside.

Sincerely,

PPEO Board of Directors
