

# PLACER PUBLIC EMPLOYEES ORGANIZATION

SUPPORTING THE PUBLIC EMPLOYEES OF PLACER COUNTY SINCE 1950

---

August 27, 2024

Dear PPEO Members,

I am writing to inform you of recent changes within the Placer Public Employees Organization (PPEO) that reflect our ongoing commitment to effective leadership and dedicated service to our membership.

As many of you are aware, Jeremy Burch has resigned from his position as President of the PPEO. We are grateful for Jeremy's contributions and wish him the best in his future endeavors. Following his resignation, Evan Cloutman has assumed the role of President, a transition that underscores his dedication to our organization and its goals.

In light of these changes, the position of Vice President became vacant. After careful consideration and deliberation by the Board, we are pleased to announce that Lisa Doty has been appointed to the role of Vice President, effective immediately. Lisa has been an integral member of the PPEO Board for several years, and her extensive knowledge of our procedures and her unwavering commitment to our membership make her an ideal choice for this position.

Lisa's appointment is a temporary measure until the formal election process is completed later this year. During this interim period, I am excited to work closely with Lisa and benefit from her valuable insights. Her thoughtful approach to decision-making and her dedication to ensuring that every member's voice is heard are qualities that will greatly enhance our leadership team.

We trust that Lisa's experience and passion will continue to drive our organization forward, and we appreciate your support and engagement during this time of transition. If you have any questions or need further information, please do not hesitate to contact our office.

Thank you for your attention to this matter and for your ongoing commitment to the PPEO.

Sincerely,

Evan Cloutman, PPEO President
